

Dear Members of the National Geographic Professional Gift and Estate Planning Committee,

Welcome! We are so pleased that you have accepted our invitation to be part of this exciting new group that cares about philanthropy and National Geographic. You are the founding members and we could not be more honored.

I am eager to work with and learn from you. We all share one very important goal making the donor/client happy. **Together, we can make great things happen – conserve the planet, save endangered species, educate the next generation, and continue to explore the wonders of this amazing world.**

Sincerely,
Beckie
